MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Outlook

The Indian economy had been undergoing a slowdown because of stress in both financial and real sector. The World Health Organization (WHO) has declared the Novel Coronavirus (Covid-19) as a pandemic which has brought a long shadow over a much-anticipated mild recovery in the Indian economy. It has been predicted worldwide that the Covid-19 pandemic will be an economic tsunami for the world economy. However, though India may not fall into a recession, unlike Eurozone, USA, or Asia-Pacific that have stronger trade ties to China, it is anticipated that the impact on India's GDP growth would be significant.

India's gross domestic product growth is expected to be strengthened to 6.2% in the financial year 2021-22 with the help of the initiatives taken by government. Due to the worldwide spread of the corona virus, the impact on the economy will not be limited to just the slowdown in demand from China, but also as a result of lower demand from other affected regions.

The Indian government had declared complete lockdown to control the spread of the corona virus which has resulted in slowdown of economic activity. However, it is expected that domestic demand will grow back strongly once the lock downs are lifted and full economic activity resumes. The decline in oil prices is likely to moderate the foreign exchange outgo on the back of higher spending by the government to revive growth. During the year, the government has taken several steps to lift growth. The government in its Union Budget 2020 has focused on long-term policy direction, agricultural sector, education, infrastructure, healthcare, financial services and improving ease of doing business and better tax governance. The government has also taken steps to gain people's confidence and trust through assurance about the stability of the banking system, making proposals like decriminalizing specific provisions in the Companies Act, 2013, relooking at other laws, fine-tuning the Contract Act, increasing the deposit insurance and creating a taxpayers' charter in the statute to prevent harassment.

Industry Structure and Developments

Non-Banking Financial Companies (NBFC) have rapidly emerged as an important segment of the Indian financial system. Moreover, NBFCs assume significance in the small business segment as they primarily cater to the credit requirements of the unorganized sector such as wholesale & retail traders, small-scale industries and small borrowers at the local level. NBFC is a heterogeneous group of financial institutions, performing a wide range of activities like hire purchase finance, vehicle financing, equipment lease finance, personal loans, working capital loans etc.

Throughout the financial year 2019-20, defaults by a large NBFC continued to cast its shadow on the NBFC sector. The NBFCs witnessed stress in their asset quality during the first half year of 2019-20. The gross NPA ratio of the NBFC sector increased from 6.1 per cent as at end-March 2019 to 6.3 per cent as at end-September 2019.

RBI has been announcing various measures as part of response to the economic challenges faced by the industry, which will aid in liquidity flow into the system and should give relief to NBFCs. The importance of NBFCs in credit intermediation is growing, the default by a large NBFC brought the focus on the asset liability mismatches of NBFCs, which poses risks to the NBFC sector as well as the financial system as a whole.

Opportunities and Threats

The NBFCs largely cater to the informal and self-employed borrower segment and thus would face a higher impact due to income volatility at the customer's end arising by the lock down and disruption caused by Covid-19. The severity would be higher for customer segments whose income is from sectors which are most likely to have longer term impact such as travel, hospitality, etc.

The lock-down and consequent changes are likely to throw up new opportunities in public health and remote working. Extensive use of technology tools due to lock down is likely to result in faster adoption of technology in payments and Customer interactions. This will enable lenders to distribute products more efficiently. However, technology is also likely to disrupt traditional business models of some businesses. On March 27, 2020, RBI announced various measures to address the stress in financial conditions caused by COVID-19. RBI permitted all lending institutions to allow a moratorium of three months on payment of instalments in respect of all term loans outstanding as on March 1, 2020.

However the Company cannot guarantee that these assumptions are accurate and will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward-looking statements, on basis of any subsequent developments, information or events.

Human Resources

People remain the most valuable asset of your company. Your company continued to build on its capabilities in getting the right talent to support different products and geographies and is taking effective steps to retain talent. A highly evolved Human Resource Policy has ensured a minimal rate of attrition amongst executives.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
J R D Finance Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. J R D Finance Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit and the representations made by the Company, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020 generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records made available to me and maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **Not Applicable to the Company during the Audit Period.**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 - **Not Applicable to the Company during the Audit Period;**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - **Not Applicable to the Company during the Audit Period;**

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - **Not Applicable to the Company during the Audit period;**
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018: **(Not applicable to the Company during the Audit Period).**
- vi) Other specific business/industry related laws that are applicable to the Company, viz. NBFC - The Reserve Bank of India Act, 1934 and all applicable Laws, Rules, Regulations, Guidelines, Circulars, Notifications issued by the Reserve Bank of India.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India,
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, Listing Agreements etc mentioned above subject to the following observation:

- A. That to the best of my understanding, the office of the **“Key Managerial Personnel” i.e. Chief Executive Officer/ Whole-time Director/Managing Director**, as required to be appointed by companies listed on stock exchanges, pursuant to the provision of Section 203(1) of the Companies Act, 2013 have not been appointed by the Company after cessation of Ram Kumar Dalmia (WTD) on 20th February, 2020.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. Adequate notice was given to all Directors in advance to schedule the Board Meetings. Agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings, Committee Meetings as recorded in the minutes books of the Company were carried out unanimously.

I further report that as represented by the Company and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

I further report that during the audit period there were no instances of:

- (i) Public/Right/debentures/sweat equity;
- (ii) Redemption / buy-back of securities;
- (iii) Major decisions taken by the members in pursuance to section 180 of the Companies Act, 2013
- (iii) Merger / amalgamation / reconstruction, etc.
- (iv) Foreign technical collaborations

I further report that during the audit period the following instances occurred:

- (i) the Company issued and allotted 4,00,000, 5% Non-Cumulative Non-Convertible Redeemable Preference Shares (NCNCRPS) of face value of Rs. 100/- each fully paid up for cash at par on 2nd September, 2019 which are not listed in any stock exchange.

- (ii) Reserve Bank of India has cancelled the Certificate of Registration granted to the Company vide its order dated 5th October, 2018 against which the Company has preferred an appeal on 26th November, 2018 before the Appellate Authority, Ministry of Finance, Government of India

There were no other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs.

INDEPENDENT AUDITORS' REPORT**To the Members of J R D FINANCE LIMITED****Report on the Audit of the Standalone Financial Statements****Qualified Opinion**

We have audited the standalone financial statements of J R D FINANCE LIMITED ("the Company"), which comprise the balance sheet as at March 31, 2020, and the statement of Profit and Loss(including other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory notes for the year ended on that date (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and *except for the effects of the matters described in paragraph "Basis for Qualified opinion" below*, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and losses, changes in equity and its cash flows for the year ended on that date.

Basis for qualified opinion

During the year, the company has unilaterally sold/transferred its investments in equity instruments being 2,01,95,000 equity shares of Entity Realtors Pvt. Ltd. to Ganak Conglomerate Pvt. Ltd. in satisfaction of its liability towards amounts borrowed from them in earlier year to the tune of Rs.20,05,89,007/-. During the year under report, the company has not recognized Interest on aforesaid Short term borrowings.

As a consequence of above adjustments, the company has represented that there remains no liability towards loan or unpaid/unapplied interest on above loan.

It is pertinent to mention that the company has not produced any documents regarding sale of above investments or with regard to cessation of its liability to Ganak Conglomerate Pvt. Ltd. and as such we do not vouch regarding settlement of the abovementioned loan liability together with unpaid/unapplied interest thereon. Consequently, the financial impact on the reported profit/loss is unascertainable at this stage.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have considered the matters described below to be the Key Audit Matters for incorporation in our Report.

Key Audit Matter	Addressing the key audit matter
Transition to Ind AS accounting framework (as described in note 32 of the standalone Ind AS financial statements)	
<p>In accordance with the roadmap for implementation of Ind AS for non-banking financial companies, as announced by the Ministry of Corporate Affairs, the Company has adopted Ind AS from April 1, 2019 with an effective date of April 1, 2018 for such transition. For periods up to and including the year ended March 31, 2019, the Company had prepared and presented its financial statements in accordance with the erstwhile generally accepted accounting principles in India (Indian GAAP). In order to give effect of the transition to Ind AS these financial statements for the year ended March 31, 2020, together with the comparative financial information for the previous year ended March 31, 2019 and the transition date balance sheet as at April 1, 2018 have been prepared under Ind AS.</p> <p>The transition has involved significant change in the Company's policies and processes relating to financial reporting, including generation of reliable and supportable information. Further, the management has exercised significant judgement for giving an appropriate effect of the first-time adoption principles of Ind AS 101, as at transition date and to determine the impact of the new accounting framework on certain accounting and disclosure requirements prescribed by RBI.</p> <p>In view of the complexity and the resultant risk of a material misstatement arising from an error or omission in correctly implementing the principles of Ind AS at the transition date, which could result in a misstatement of one or more periods presented in these Ind AS financial statements, this has been an area of key focus in our audit.</p>	<p>Our Audit procedures based on which we arrived at the conclusion regarding reasonableness of determination of year-end inventory and valuation thereof include the following:</p> <ul style="list-style-type: none"> • Read the Ind AS impact assessment performed by the management to identify areas to be impacted on account of Ind AS transition. • Understood the financial statement closure process and the additional controls (including IT controls) established by the Company for transition to Ind AS. • Read changes made to the accounting policies in light of the requirements of the new framework. • Assessed the judgement exercised by the management in applying the first-time adoption principles of Ind AS101 especially in respect of fair valuation of assets and liabilities existing as at transition date. • Assessed the judgement applied by the Company in determining its business model for classification of financial assets. • Performed test of details on the accounting adjustments posted as at the transition date and in respect of the previous year to convert the financial information reported under erstwhile Indian GAAP to Ind AS. • Assessed the judgements applied by the Company in respect of areas where the accounting treatment adopted or the disclosures made under the new accounting framework were inconsistent with the extant RBI directions. • Assessed disclosures included in the Ind AS financial statements in accordance with the requirements of Ind AS 101, with respect to the previous periods presented.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report and Management Discussion and Analysis Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Management and those charged with governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the state of affairs (financial position), Profit or Loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based

on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The outbreak of COVID-19 as stated in Note no. 33 of the financial results dealing with evaluation of Impact of COVID-19 on current and non-current assets as well as the future performance of the Company which has caused disruption in operation and physical verification and other year end exercises, for which alternative audit procedures as required in terms of standards on auditing has been applied to obtain sufficient audit evidence on the matter. Our opinion is not modified in respect of the matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act; and

- f) Regarding adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal control with reference to financial statements.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
4. With respect to the reporting under section 197(16) of the Act to be included in the Auditors' Report, In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid/provided for any managerial remuneration and as such the provisions of section 197 of the Act are not applicable.

ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of J R D FINANCE LIMITED ("the Company") as at March 31, 2020 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

1. CORPORATE INFORMATION

J R D FINANCE LIMITED ("the Company"), is a Public Limited company incorporated in Kolkata, under the Companies Act, 1956 and its equity shares are listed on the Metropolitan Stock Exchange of India Ltd. The company operates as an Investment and Credit Company (NBFC-ICC) and is registered as a Non-Banking Financial (Non-Deposit Accepting) Company with the Reserve Bank of India vide Registration no.: B-05.05299 dated August 29, 2003. The Reserve Bank of India has cancelled the Certificate of registration granted to the company to carry on the business of Non-banking financial institution vide order dated October 05, 2018. The company has preferred an appeal against the same on November 26, 2018 before the Appellate Authority, Ministry of Finance, Government of India. Pending the outcome of the appeal, the company continues to carry on NBFCs activities as usual and the financial statements have been prepared on the going concern basis.

2. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**2.1 Statement of Compliance**

The Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act") with effect from April 1, 2018 and therefore Ind ASs issued, notified and made effective till the financial statements are authorized have been considered for the purpose of preparation of these financial statements.

These are the Company's first Ind AS Standalone Financial Statements and the date of transition to Ind AS as required has been considered to be April 1, 2018.

The financial statement up to the year ended March 31, 2019, were prepared under the historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles and Accounting Standards as prescribed under the provisions of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014 then applicable (Previous GAAP) to the Company. Previous period figures in the Financial Statements have been recasted/restated to make it comparable with current year's figure.

In accordance with Ind AS 101-"First Time adoption of Indian Accounting Standards" (Ind AS 101), the Company has presented (Note No. 35(a)), a reconciliation of Shareholders' equity as given earlier under Previous GAAP and those considered in these accounts as per Ind AS as at March 31, 2019, and April 1, 2018 and also the Net Profit as per Previous GAAP and that arrived including Other Comprehensive Income under Ind AS for the year ended March 31, 2019. The mandatory exceptions and optional exemptions availed by the Company on First-time adoption have been detailed in Note No. 35(b) of the financial statement.

Application of new and revised standards:

Effective April 01, 2019, the Company has adopted Ind AS 116 "Leases" and Appendix C, 'Uncertainty over Income Tax Treatments', to Ind AS 12, 'Income Taxes'. Revision in these standard were either not applicable or did not have any material impact on the financial statements.

3 SIGNIFICANT ACCOUNTING POLICIES**A. BASIS OF PREPARATION**

The Financial Statements have been prepared under the historical cost convention on accrual basis excepting certain financial instruments which are measured in terms of relevant Ind AS at fair value/ amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months. All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013. Having regard to the nature of business being carried out by the Company, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification.

The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest two decimal lakhs except otherwise stated.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.

Level 3: Inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

B. LEASES

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options considered for arriving at ROU and lease liability when it is reasonably certain that they will be exercised.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment, whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows. Lease liability obligations is presented separately under the head "Financial Liabilities".

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

C. FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Financial Assets and Financial Liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020**(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair value through profit or loss

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

(vi) Impairment of financial assets

A financial asset is assessed for impairment at each balance sheet date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for loans and advances or contract assets that result in relation to revenue from contracts with customers, the company measures the loss allowance at an amount equal to lifetime expected credit losses.

(vii) Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

D. EQUITY SHARE CAPITAL

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

E. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020**F. EMPLOYEE BENEFITS**

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

Contribution to defined contribution plans such as Provident Fund etc, are recognised as and when incurred.

Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the Balance Sheet with a corresponding debit or credit to Retained Earnings through Other Comprehensive Income ("OCI") in the period in which they occur.

Other long term employee benefits consisting of Leave Encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain/loss are recognised in the Statement of profit and loss.

G. REVENUE**Interest and Dividend**

- The Company follows the accrual method of accounting for recognition of Income excepting in cases of uncertainties of collections, which are recognized on receipt basis.

- Interest Income from financing by way of loan is recognised in terms of the respective agreements with the borrowers using effective interest rate method.

- Dividend from Investments is accounted for when right to receive the same is established.

- In accordance with the guidelines issued by the Reserve Bank of India (RBI), incomes against non-performing assets are recognised on receipt basis.

H. BORROWING COSTS

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

I. TAXES ON INCOME

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets include Minimum Alternative Tax (MAT) measured in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability and such benefit can be measured reliably and it is probable that the future economic benefit associated with same will be realized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

J. EARNINGS PER SHARE

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

K. SEGMENT REPORTING

As the company has no activities other than those of a Non-Banking Financial Company, the segment reporting under Ind AS 108 is not applicable. The company does not have any reportable geographical segment.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

4 CRITICAL ACCOUNTING JUDGMENTS, ASSUMPTIONS AND KEY SOURCES OF ESTIMATION AND UNCERTAINTY

The preparation of the financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

a) Impairment loss allowances of loans and advances

Classification of loans and advances are made as per the guidelines prescribed by RBI. Provision against performing (standard) and non-performing assets are made as required in terms of prudential norms prescribed by RBI. Further, assets which are considered non recoverable are fully provided for / written off.

b) Income taxes

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

c) Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Fair Valuation Techniques

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- The fair value of cash and cash equivalents, loans, current trade payables, current financial liabilities and assets approximate their carrying amount largely due to the short-term nature of these instruments. The management considers that the carrying amounts of financial assets and financial liabilities recognised at nominal cost/amortised cost in the financial statements approximate their fair values.
- The Company's long-term debt has been contracted at floating rates of interest. Fair value of variable interest rate borrowings approximates their carrying value subject to adjustments made for transaction cost. In respect of fixed interest rate borrowings, fair value is determined by using discount rates that reflects the present borrowing rate of the company.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:-

- i) Level 1 :-** Quoted prices / published NAV (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the balance sheet date and financial instruments like mutual funds for which net assets value (NAV) is published by mutual fund operators at the balance sheet date.
- ii) Level 2 :-** Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2.
- iii) Level 3 :-** Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as at balance sheet date:

(*) Figures in round brackets () indicate figures as at March 31, 2019 and in brackets [] indicate figures as at April 01, 2018

During the year ended March 31, 2020 and March 31, 2019, there were no transfers between Level 1, Level 2 and Level 3.

The Inputs used in fair valuation measurement are as follows:

Fair valuation of Financial assets and liabilities not within the operating cycle of the company is amortised based on the Effective Interest Rate.

FINANCIAL RISK FACTORS

The Company's activities are exposed to variety of financial risks. The key financial risks includes market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Board of Directors reviews and approves policies for managing these risks. The risks are governed by appropriate policies and procedures and accordingly financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

MARKET RISK

Market risk is the risk or uncertainty arising from possible market fluctuations resulting in variation in the fair value of future cash flows of a financial instrument. The major components of Market risks are currency risk, interest rate risk and other price risk. Financial instruments affected by market risk includes investments and trade and other payables.

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company doesn't have exposure to the risk of changes in foreign exchange rates and hence is not subjected to such risk.

Interest rate risk

Interest rate risk arises when there is a mismatch between positions, which are subject to interest rate adjustment within a specified period. The Company's lending and funding activities give rise to interest rate risk.

The immediate impact of variation in interest rate is on the Company's net interest income, while a long term impact is on the Company's net worth since the economic value of the assets, liabilities and off-balance sheet exposures are affected. While assessing interest rate risks, signals given to the market by RBI and government departments from time to time and the financial industry's reaction to them shall be continuously monitored.

Interest Rate Risk arises due to:

- i) Changes in Regulatory or Market Conditions affecting the interest rates
- ii) Short term volatility
- iii) Prepayment risk translating into a reinvestment risk
- iv) Real interest rate risk.

In short run, change in interest rate affects Company's earnings and in long run it affects Market Value of Equity (MVE) or net worth. It is essential for the Company to not only quantify the interest rate risk but also to manage it proactively. The Company mitigates its interest rate risk by keeping a balanced portfolio of fixed and variable rate loans and borrowings. Further Company carries out Earnings at risk analysis and maturity gap analysis at quarterly intervals to quantify the risk.

With all other variables held constant, the following table demonstrates the impact of the Interest Rate on floating rate portion of loans and borrowings and Advances are given as under:

Loans and Advances- Floating Rate	10.25	5.43

Other price risk

The company's non-current investments which are fair valued through other comprehensive income are dependent upon the volatility of the market and business in which the said company operates.

CREDIT RISK

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily loans or interest accrued balances). The management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. The Company periodically assesses the financial reliability of its borrowers, taking into account the financial condition and current economic trends.

The carrying amount of respective financial assets recognised in the financial statements, (net of impairment losses) represents the Company's maximum exposure to credit risk.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of doubtful loans and advances. Receivables from its borrowers are reviewed/evaluated periodically by the management and appropriate provisions are made to the extent recovery there against has been considered to be remote.

Financial assets that are neither past due nor impaired

Cash and cash equivalents are neither past due nor impaired. Cash and cash equivalents with banks are held with reputed and credit worthy banking institutions.

b) FIRST-TIME ADOPTION – Mandatory Exceptions and optional Exemptions

These financial statements are covered by Ind AS 101, "First Time Adoption of Indian Accounting Standards", as they are the Company's first Ind AS financial statements for the year ended March 31, 2020.

i) Overall principle:

a) The Company has prepared the opening balance sheet as per Ind AS as at April 1, 2018 (the transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing items of assets or liabilities which are not permitted by Ind AS, by reclassifying certain items from Previous GAAP to Ind AS as required under the Ind AS, and applying Ind AS in the measurement of recognized assets and liabilities. The accounting policies that the Company used in its opening Ind-AS Balance Sheet may have differed from those that it used for its previous GAAP. The resulting adjustments arising from events and transactions occurring before the date of transition to Ind-AS has been recognized directly in retained earnings at the date of transition.

b) However, this principle is subject to certain mandatory exceptions and certain optional exemptions availed by the Company as detailed below.

ii) Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2018 (the transition date).

iii) Impairment of Financial Assets

Ind AS 109 "Financial Instruments" requires the impairment to be carried out retrospectively; however, as permitted by Ind AS 101, the Company, has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

(₹ In Lakhs)

c) Explanatory Notes to reconciliation between Previous GAAP and Ind AS

(i) Taxation

Under previous GAAP deferred tax accounting was done based on the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Previous GAAP.

Deferred tax adjustments in correlation to the underlying transaction have resulted increase/ (decrease) in deferred tax assets and adjustment in equity by ₹ 7.15 lakhs and ₹ 6.28 lakhs as on March 31, 2019 and April 1, 2018 respectively.

(ii) Investment in Equity Instruments

Under previous GAAP, Non-current Investments were stated at cost less provision, if any, for diminution in value other than temporary.

Under Ind AS, the Company has made an irrevocable decision to consider equity instruments not held for trading to be recognized at FVTOCI.

On transition, the Company has recognized a gain of ₹ 147.46 lakhs and ₹ 110.39 lakhs as on March 31, 2019 and April 1, 2018 respectively in OCI with the corresponding increase in the carrying value of such investments.

(iii) Previous GAAP figures have been reclassified/regrouped wherever necessary to confirm with financial statements prepared under Ind AS.

33. The COVID -19 pandemic and the long drawn lockdown has resulted in significant decrease in economic activities globally as well as across our country. The extent of impact of COVID - 19 on our country is difficult to predict and will mainly depend on the future developments in containment of COVID - 19 and the actions taken for resumption of operations, which is highly uncertain. Based on the current indicators of future economic conditions, the Company expects to recover the carrying amount of its financial assets. Given the uncertainty over the potential macro-economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions, which will be given effect to in the respective future periods.

34. These financial statements have been approved by the Board of Directors of the Company on June 27, 2020 for issue to the shareholders for their adoption.
